CAREER OBJECTIVE

Motivated and enthusiastic Electronics and Communication Engineering student with a strong interest in Software Development and Full Stack Web Development. Skilled in Java, Spring Boot, HTML, CSS, JavaScript, Node.js, and database technologies. Interested in developing real-world applications and continuously improving technical and problem-solving skills.

EDUCATION

- **Degree:** Bachelor of Engineering (B.E.) – Electronics and Communication Engineering (ECE)
- **Year:** Final Year
- **CGPA:** 7.2

TECHNICAL SKILLS

- **Programming:** Java
- **Backend:** Spring Boot, Node.js, Express.js
- **Frontend:** HTML, CSS, JavaScript, Bootstrap
- **Database:** MySQL, MongoDB, PostgreSQL
- **Web Technologies:** REST API, Vite
- **Tools:** Git, GitHub, VS Code
- **Other:** Prisma, Stripe Payment Integration

PROJECTS

1. E-Commerce Website – Rare Habit

- Developed a full-stack e-commerce website for a streetwear/clothing business.
- Implemented product management and admin dashboard functionality.
- Developed backend APIs using Node.js and Express.js.
- Integrated database operations for products and orders.
- Implemented admin authentication and Stripe payment functionality.
- Used Git and GitHub for version control.

2. Expense Tracker

- Developed an expense tracking web application to manage personal income and expenses.
- Implemented features for adding, editing, and tracking expenses.
- Used Java and Spring Boot for backend development.
- Designed REST APIs and integrated database storage for expense records.

INTERNSHIP EXPERIENCE

Gilbarco Veeder-Root – Software Reliability Testing Intern

- **Duration:** 30 Days
- Completed a 30-day internship focused on Software Reliability Testing.
- Gained practical exposure to software testing and reliability concepts.
- Learned about identifying software issues and validating system behavior.
- Gained experience working in a professional software development environment.

AREAS OF INTEREST

- Software Development
- Full Stack Web Development
- Java Development
- Spring Boot
- Backend Development
- Database Management
- Software Testing and Reliability

LANGUAGES KNOWN

- **Languages:** Tamil, English

STRENGTHS

- Quick learner
- Problem-solving ability
- Self-motivated
- Adaptable to new technologies
- Interested in real-world project development
- Willingness to learn
